SPECIALIZATIONS

Create Your Own

HOW DO I CREATE MY OWN SPECIALIZATION?

Request a *Create Your Own Specialization* form to identify and define the coach specialization that best compliments your skills, talents, and scope of experience. Our coordinator for online instruction will follow up to confirm your specialization and the book(s) that accompany your specialization.

HOW SPECIALIZATIONS WORK

1. In-class practice coaching should be within your specialization
2. Read and apply content from your specialization text book and independent exploration
3. Recorded mentor coaching sessions should be focused on your specialization
4. Homework assignments should be driven by your specialization
